

JMJ Catholic Homeschool Group 2016-2017 SMiEE Email Guidelines

The Southwest Michigan Educators for Eternity (SMiEE) email group is provided for the purpose of making communication between JMJ members quick and easy. All members of the JMJ Catholic Homeschool Group are given access to SMiEE. The email address for SMiEE is SMiEE@googlegroups.com

In an effort to make using the SMiEE email group simple and helpful for all, please note the following:

- If you have a change of email address, questions or concerns about emails, or would like to be removed from the SMiEE email group, please contact a facilitator at jmjfacilitators@gmail.com
- In an effort to make an email as readable as possible and to avoid passing around private email addresses, please delete all forwarding information before posting any email using SMiEE.
- Please refrain from forwarding SMiEE messages to people outside of the group unless you have permission from the original sender.
- Emails pertaining to homeschooling, parenting, and the like are acceptable and desired on the email loop. We want our community to be a place where questions can be asked and help can be given and shared with the entire group. We invite those who respond to do so to the entire group since there may be many who are interested in the feedback.
- Some emails may not pertain to homeschooling or parenting. We do not see this as being a problem. You may pass along a link to something you feel may be of interest to some. Please refrain from adding personal opinion or commentary as SMiEE is not the appropriate forum.
- Please contact the originator of an email directly and privately to ask for clarification if you should happen to be offended by an email or have questions or concerns. Do not address the entire group.
- If you are not interested in certain types of emails, you are invited and encouraged to simply delete those emails that are not relevant to you.
- Remember to use prudence and Christian charity when sending out any email. Emails that are anti-Catholic or attack an individual or group will not be tolerated.

Information sent through SMiEE is in no way endorsed by JMJ.
